Technical POC:

Synopsis: This proposed procurement is Set-Aside for Small Businesses, NAICS 238910 with a size standard of \$13,000,000.00. Estimated cost of construction is between \$10,000.00 and \$25,000.00.

Furnish all equipment, materials, labor, supplies, transportation, etc. to demolish existing salt storage shed and remove all debris as a result of the demolition. The salt storage shed structure is located at the Jennings Randolph Lake Project Facility located in Garrett County, Maryland and Mineral County, West Virginia. A new salt storage shed shall be constructed at the site to replace demolished shed. The work shall be performed in strict accordance with the specifications included in the request for quotations bid package. The work is to be completed in forty-five (45) calendar days after issuance of Notice to Proceed. All responsible sources may submit a bid which shall be considered by the agency. The solicitation will be provided in an electronic format, free of charge, to all registered plan holders. The media through which the Government chooses to issue this solicitation will be the Internet only. This solicitation will not be issued in paper. Contractors' requests for this solicitation will be performed through ASFI. Contractors may download the request for quotations package by going to the website: <http://www.fedbizopps.gov>. In order to reduce the possibility of error and to increase the quality of our service to you, all deliveries, packages, etc. must include the name of the particular contract specialist/buyer for the particular project. All deliveries, packages, etc. of more than one box or container must be bound together by tape or other means. It is imperative that all small disadvantaged businesses contact their cognizant Small Business Administration Office to obtain Small Disadvantaged Business Certification. Without SBA SDB certification, a prime contractor nor a federal agency can receive SDB credit when utilizing non-certified SDB contractors/ subcontractors.
